

In response to the most recent information from the Center for Disease Control and Protection which states the best way to keep everyone safe at this time is to practice social distancing, **the leadership team at BCABVI has made the thoughtful decision to close Second Look Newtown Thrift Shop effective March 14, 2020 through April 6, 2020.**

We will take advantage of this time to continue with the deep cleaning of our facility, clinic and thrift shop as further precautionary steps to help prevent the spread of the COVID-19 virus.

We want to be clear as to the reason behind our decision: **We are not aware of ANY new reports of individuals who have tested positive for COVID-19 at BCABVI or in Second Look Newtown Thrift Shop.**

Our agency's leadership team appreciates that BCABVI is part of a larger community in Bucks County. We believe we have a responsibility to make proactive decisions that align with our organizational values; including keeping our clients, employees and fellow community residents safe.

We ask you please do not leave any donations outside our building as we will not be able to process them.

We will be sharing updates about store operations on our website www.secondlookthrift.com and social media accounts. To sign up for text and/or email updates, please go to www.secondlookthrift.com/contact

Thank you in advance for your cooperation!
